Registration opens 1 hour before start time.

Rifle Side match will be two or three CQB stages in the berms and a short to long range stage on the rifle range shooting at steel. 100 rounds should get things done but bring 150 to be sure.

No Tracers, Green Tip, or Steel Core ammo allowed.

Shotgun Side match will be CQB in the berms. Bring 50 rounds of bird shot, 10 buckshot and 10 slugs.

MAM Shotgun Side in September will be Man Against Man. Pump guns against Pump guns. Autoloaders against Autoloaders. Bring 100 rounds of bird shot for this. We ran this the last three years and it has always been a blast
